

CAMELEO plant pot with a wooden seat, with a steel structure and cladding made of galvanized and varnished sheet.

The DCA008.00 model has a galvanized steel insert, a drainage system and a removable system for transporting the pot by crane. On one side of the pot there is a wooden seat without a backrest.

The CAMELEO collection is a real chameleon among street furniture thanks to its minimalistic design and varying finishes of colors and materials. This collection is one of the bestsellers in our offer.
