

CAMELEO plant pot with a wooden seat, steel structure and cladding made of galvanized, varnished sheet.

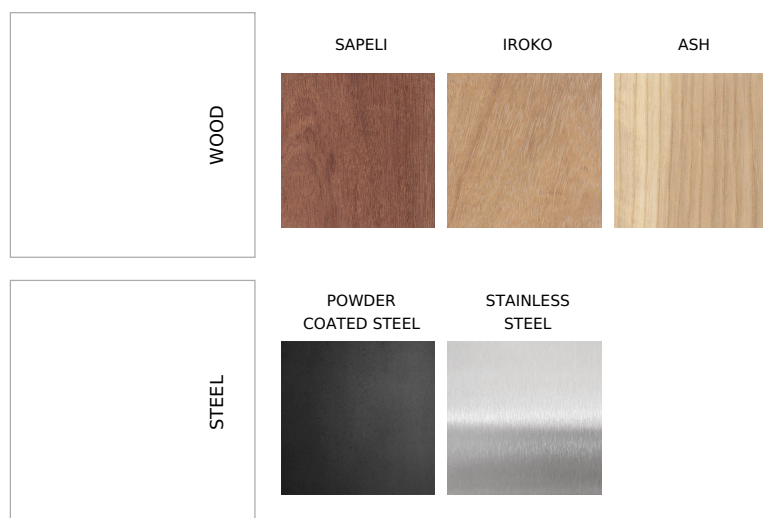

Model DCA008.01 has a galvanized steel insert, drainage system and a removable system for carrying the pot by crane. On the long side of the pot there is a wooden seat without a backrest.

The CAMELEO collection is a real chameleon among street furniture thanks to its minimalistic design and varying finishes of colors and materials. This collection is one of the bestsellers in our offer.

Dimensions and materials available below.
