

From collection **CAMELEO**

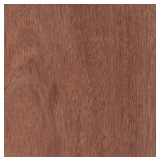

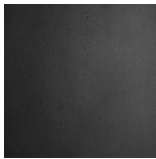

CAMELEO plant pot with a wooden seat, with a steel structure and cladding made of galvanized, varnished sheet.

The DCA008.02 model has a galvanized steel insert, a water drainage system and a removable system for moving the pot by crane. The plant pot has a wooden seat with no backrest on its longer side.

The CAMELEO collection is a real chameleon among street furniture thanks to its minimalistic design and varying finishes of colors and materials. This collection is one of the bestsellers in our offer.

Dimensions and materials available below.
