

An URBANITE pot in the form of an inverted truncated cone with a diameter of 30 cm at the bottom base, 60 cm in diameter at the top base and a height of 60 cm.

The DUR006.00 model is reinforced with glass fiber and is made entirely of concrete.

The urban planters from the URBANITE collection are a timeless solution with versatile applications. These planters are characterized by a friendly design, unparalleled durability, and impeccable aesthetics that, when combined with greenery, breathe life into spaces. Made of high-quality concrete, the planters in the URBANITE collection are created to seamlessly fit into both modern interiors and vibrant urban areas, adding elegance and character to them.
