

The URBANITE planter is in a semi-organic form that synthesizes naturally soft shapes found in nature with a straightforward technological geometry.

The DUR010.02 model is reinforced with glass fiber and is made entirely of concrete.

The urban planters from the URBANITE collection are a timeless solution with versatile applications. These planters are characterized by a friendly design, unparalleled durability, and impeccable aesthetics that, when combined with greenery, breathe life into spaces. Made of high-quality concrete, the planters in the URBANITE collection are created to seamlessly fit into both modern interiors and vibrant urban areas, adding elegance and character to them.
