

FLOW bench - 160 cm wide made of stainless steel. Side elements of the bench act as advertising media.

The LFL0078.00 model has a backrest and it can be equipped\* with a Wifi router, a Bluetooth beacon, heated seats and a backlight for advertising space.

\* 230V power grid connection required.

The FLOW collection is perfect for both external and internal spaces. The original design line works extremely well with contemporary architecture, becoming its integral element.
