

The TRA109.01 model is a picnic set composed of the 150 cm wide RALL table and two 150 cm wide RALL benches with no backrests.

The table and benches are made of steel.

The modern form of the RALL collection can both create the character of the place and easily build its transparent background. RALL elements are perfect for spaces where the visual impact of architectural elements should be limited.

**Dimensions and materials available below.**

## MATERIALS

POWDER  
COATED STEEL

STAINLESS  
STEEL
